Heart **Troubles**

The heart may be weak just the same as the eyes, stomach or other organs. It often happens that a person is born with a weak heart. Then again disease, fevers, over-exertion, nervousness, anxiety, rheumatism, etc. weaken the heart. The result is shortness of breath, pal-pitation, pain in the heart, or in some of the nerves of the chest or abdomen. The heart should be strengthened with a tonic, and for this nothing equals Dr. Miles' Heart Cure.

I am so thankful that I began taking this medicine, and shall not hesitate to tell others how much good it has done me."
